CELEBRATING OUR HEALTHCARE WARRIORS DURING NURSING HOME WEEK!

We celebrated our nursing home appreciation week with music, raffles and food for all three shifts. Thank you to the Rebekah Rehab and Extended Care team for all the hard work and dedication throughout the year.

Thank you for all you do!

A Note from the Administrator

Welcome to another edition of Rebekah links. Thank you to all my residents, family members and staff for your constructive feedback. This past May we experienced warmer and sunny days. An array of beautiful and colorful flowers was planted on the premises. We celebrated our amazing nursing staff during nursing home week. All three shifts were able to enjoy the festivities with food, music, raffles and awards. On May 16th, our former CEO was recognized during a ceremonial gala held at Marina Del Rey in the Bronx, New York. Mr. Kenneth Gelb served as a CEO for 25 years. He provided the staff with guidance and leadership resulting in an environment of trust, support and cohesiveness amongst each other. The activities department coordinated a special gathering to celebrate Mother's Day with music, flowers, and special treats. Memorial Day was filled with a variety of food and festive sweet treats for the staff. Thank you to our incredible food director, Dawn McCarroll and kitchen staff for coordinating the event. I am eager to celebrate the new summer season, to watch the residents dance and enjoy the warm weather, to celebrate more centenary birthdays and to continue helping my staff with our mission of providing our residents with an environment of dignity, love, safety and respect.

Sincerely,
Fedra Manigaulte, MPA, LNHA

THE 100+ CLUB!

At Rebekah Rehab and Extended Care Center, our recreation department recently hosted a heartfelt celebration honoring our remarkable residents who have reached the age of 100 and beyond. The festivities were highlighted by the captivating live entertainment provided by Mr. Juan Ortega, whose soulful piano music added a special touch to the event. Among our distinguished centenarians, we are especially excited to announce that our oldest resident will be turning an impressive 109 years old this July. It was a joyous occasion filled with music, laughter, and the shared stories of our cherished residents, whose lives continue to inspire us all.
